

Meeting Notes · Product Sync

August 14, 2026

Attendees: Alice (Product), Bob (Eng), Carol (Design).

We reviewed the roadmap for the next release. Three themes were prioritised: reliability of the sync engine, faster cold

Action items:

1. Alice to share the analytics dashboard by Friday.
2. Bob to spike the cold-start optimisation and report back.
3. Carol to prepare mock-ups for the offline indicator.

Follow-up

Carol shared two concepts for the offline banner. Team preferred the minimal variant. Next sync review is scheduled for
